

WAIVER TRANSITIONS JANUARY 2018

WAIVER TRANSITIONS JULY 2018

WAIVER TRANSITIONS JANUARY 2019

CHC WAIVER

Transitioning to the CHC Waiver:

- Phase 3 Aging Waiver participants.
- Phase 3 Attendant Care Waiver participants ages 21 and older; participants under 21 will transition to the OBRA Waiver.
- Phase 3 Independence Waiver participants ages 21 and older; participants under 21 will transition to the OBRA Waiver.
- Phase 3 OBRA Waiver participants ages 21 and older who are nursing facility clinically eligible; participants under 21 or **not** nursing facility clinically eligible will remain in OBRA.

Transitioning to LIFE:

Participants 55 and older who are nursing facility clinically eligible may choose to enroll or remain in a LIFE program instead of CHC.

1 Participants will receive behavioral health services through the Behavioral Health Managed Care Organizations.
2 Participants will receive an updated clinical eligibility determination.
